Mr. Dan L. Ellington  
International Division  
Bureau of the Budget  
Washington 25, D. C.

Dear Mr. Ellington:

Reference is made to Bureau of the Budget Circular No. A-25 on the subject of User Charges.

This Agency does not engage in any activities which result in any Government services or property available to the public. Some classified printing services are furnished to the Department of State and the Atomic Energy Commission and occasionally maps are sold to other Federal agencies, but reimbursement is received for the cost of such goods or services.

As our reports on this requirement would be negative, it is considered that the provisions of the Circular are not applicable to CIA. It will be assumed that your Office concurs with this conclusion unless we are otherwise advised to the contrary.

Very truly yours,

E. R. Saunders  
Comptroller
